

## SHALEDRILLER 301

### DRAWWORKS

---

1,500 HP American Block Drawworks powered by (1) 1,500 HP AC Motor

### MAST AND SUBSTRUCTURE

---

Cantilever Type, three (3) Section Mast: 142' Height, 750,000 lbs. Static Hook Load  
Box on Box Substructure: 29'-6" Height, 25'-6" Clear Height  
Setback Capacity: 500,000 lbs.  
Racking Capacity: 20,000' (5" Drill Pipe)  
Fully integrated, omnidirectional "Walking" system

### MUD PUMPS

---

(3) 1,600 HP Triplex Pumps - 7,500psi  
(1) each 1,500 HP AC Motor

### ROTATING AND TRAVELING EQUIPMENT

---

500 ton Canrig 1250 Top Drive w/ 51,400 ft-lbs. torque @ 118 rpm  
37-1/2" Rotary Table Independent Drive powered by (1) Hydraulic Motor  
500 ton Traveling Block

### B.O.P EQUIPMENT

---

BOP Handling System: Trolley Beam System w/ Hydraulic Winches  
13-5/8" x 5,000 psi Annular  
13-5/8" x 10,000 psi, Single Ram BOP  
13-5/8" x 10,000 psi, Double Ram BOP  
2-1/16" X 4-1/16" 10,000 psi Choke Manifold  
(1) 7 Station Accumulator Skid

### GENERATORS

---

(4) CAT 3512C Diesel Engines w/ (4) 1750 kVa Generator Sets

### CONTROL SYSTEM

---

IEC VFD House  
Climate Control Driller's Cabin w/ joystick controls

**SHALEDRILLER 301** *(continued)*

**MUD SYSTEM**

---

- 1000 bbl. Pit System - 7,500 psi
- (3) Derrick 503 Shale Shakers
- (1) Atmospheric Degasser
- (1) Mud Gas Separator 1,200 gpm 48" diameter / 22'-5" overall length

**MUD MIXING EQUIPMENT**

---

- (3) Chemical Mixing Hoppers
- (1) Caustic Mixing System

**LIQUID STORAGE**

---

- (1) 375 bbl. Water Storage Tank
- (1) 357 bbl. Diesel Storage Tank

**PIPE HANDLING EQUIPMENT**

---

- (1) ST-80 Iron Roughneck
- (1) Forum Hydraulic Catwalk

**ELECTRONIC DRILLING RECORDING EQUIPMENT**

---

- MD Totco Recording System and Equipment

**DRILL PIPE**

---

- 24,000' - 5" (S-135) 19.50# w/ NC-50 Connections
- (42) Joints - 5" HWDP

**DRILL COLLARS**

---

- (20) 6.5" w/ NC-46 Connections
- (6) 8" w/ NC-56 Connections

**LIVING QUARTERS**

---

- (1) Rig Manager Trailer
- (2) Twelve Person Crew Trailers w/ Change House included
